**DECEMBER 2002**

Published by John Foyster, PO Box 3086,  
Rundle Mall, Adelaide, SA 5000 (or from  
[foyster@senet.com.au](mailto:foyster@senet.com.au)).

This is published at a time when (as he has asked me, Yvonne Rousseau, to explain on his behalf) John's illness (or, perhaps, his chemotherapy) is making it too difficult for him to produce sentences on a keyboard.

This December 2002 eFNAC is the first in a series of issues displaying photographs from the trip John and Yvonne made together in 1996. The choice and the arrangement of photographs are John's; the captions are Yvonne's.
